

## Position: Teaching Fellow

- School:** St. Martin de Porres Academy, a Nativity Miguel Network Middle School, opened in September 2005. We are an independent Catholic school in New Haven, CT close to the Yale University Campus. Our school is tuition free and provides a holistic, college-oriented academic curriculum for underserved children from low-income families. We serve children of all faiths, races and cultures. Peace and non-violence education are an integral part of our curriculum. We have a 10-hour school day and an 11-month school year. Visit our **website:** [www.saintmartinacademy.org](http://www.saintmartinacademy.org)
- Job Description:** The Teaching Fellow's primary responsibilities will be teaching 2-3 classes as part of team with another teacher. All Teaching Fellows will receive comprehensive support and supervision from the Principal and 2 mentors. Teaching Fellows participate in an 8-week teaching program through Breakthrough New Haven at the Hopkins School in preparation of the start of the academic year in addition to professional development developed through Fairfield University's Graduate School of Education.
- Teaching Fellows coach sports, and facilitate arts and service activities in addition to assisting with major areas of school life such as: meal preparation and the extended day program. While it is recognized that our Teaching Fellows have little or no teaching experience, the entire atmosphere is one of collaboration and mutual learning. Specific subject areas are: Math, Science, Spanish, History and Language Arts.
- Compensation:**
- \$12,100 Annual Stipend
  - Room and Board
  - Health Insurance
  - AmeriCorps Educational Award of \$5,550
  - Opportunity to earn a Free Master's of Education Degree through extended service to the Academy.
- Primary Duties:**
- Teaching
  - Coach a sport and/or coordinate an Arts or Service enrichment activity
  - Supervise recess, meals, academic hall and field trips
  - Attend ongoing professional development and staff meetings
