Saint Martin de Porres Academy Works to End the Cycle of Poverty Through Education and Opportunity

- We make a 12-year commitment to each of our students to support them academically, socially, emotionally *and financially* from middle school through high school and college.
- We provide a *tuition-free education* for our economically disadvantaged students, 10-hours a day, 11-months per year.
- We believe in nurturing the whole child through a culture focused on values and service.
- Last year we helped our graduates secure over \$455,000 in scholarships and financial aid and provided an additional \$66,000 in college gap funding.
- We celebrate a 99% high school graduation rate and a 97% college acceptance rate.

**Your support of the Spring Fling Will Help to End
the Generational Cycle of Poverty by providing Education and Opportunity
for Children from Greater New Haven**

*As a 501c3 nonprofit organization, contributions to Saint Martin de Porres Academy
are tax-deductible to the extent allowed by law.*
